

CARVING ACADEMY – Living on the Edge!

Are you a good skier who skis parallel and wants to improve your carving technique?

At Carving Academy, we offer you the perfect opportunity to elevate your skills and learn the art of carving with style and precision. Under the guidance of a certified ISIA instructor, you'll gain the tools to refine your technique and take your skiing to the next level.

What's Included in Carving Academy

Free Test Skis from Zai

Experience top-of-the-line equipment from one of the most exclusive and high-performance ski brands in the world, Zai. Test skis that are specifically designed for carving and performance, allowing you to feel the difference immediately.

Personalized Coaching

Your development is our focus. Receive expert coaching from a certified ISIA instructor, who will guide you step by step to master the carving technique. You'll learn how to fully utilize your carving skis and adapt your turning techniques to different terrains.

Learn in One Day

By the end of the day, you'll have learned the carving technique and experienced the thrill of smooth, controlled carving on the slopes. You'll leave with a new love for skiing and a renewed sense of confidence in your abilities.

Carving Academy is perfect if:

- You are a good skier and ski parallel on red runs.
- You want to improve your carving technique and ski with more control.
- You want to test exclusive skis and experience the difference they make.
- You want to explore the best slopes in a supportive and challenging environment.
